

SUMMER

FREE LUNCH

PROGRAM

FOR: Children of RSU #21 (preschool through grade 12) who receive subsidized lunches during the school year

LUNCHES OFFERED WEEKLY: Mon., Tues., and Thurs.
July 5 through August 25

Lunches will consist of a sandwich, veggies, a piece of fruit, a home-made cookie, and milk; and be prepared with supervision by certified safe food handlers. The amount of food provided is determined by the age of the child.

Lunches will be delivered to the home or day camp, or picked up at a central location depending upon the family's needs.

If you are interested in participating in this free lunch program, please call Judy Barrett or Alison Kenneway, at the Public Health Office, at 967-4401. You will be asked to give a minimal amount of information about your child/children.

If you would like to have your meals delivered, you must be willing to release your name and address to the delivery drivers. If you wish to remain anonymous, you will be assigned a number and can pick up your numbered lunches at a centrally located site. We would also like to know where a convenient pick-up site would be for you and your neighborhood.
